

AL-ANON DISTRICT 25 TREASURER'S REPORT

For month ending October 31, 2022

The attached Treasury Report spreadsheet shows current balances, income and expenses for October.

District income from Seventh Tradition donations was \$283.87. A payment of \$449.86 was made to the new website hosting service. The Outreach Committee spent \$56.86 for printing of handout cards. A net loss for the month was \$222.59.

As approved by the District, Happy Hour contributed \$827.00 toward the bus advertising project. These funds were added to the excess funds account, which was \$4,882.00, bringing it to \$5,709.00. The reserve fund account remains \$1,806.00. The LDC available balance of \$6.38 was folded into the general fund as approved in the October meeting.

The Budget Committee is still waiting for budget projections from groups, officers and coordinators.

Respectfully submitted, Bill G, District 25 Treasurer

APPROVED DISTRICT 25 FINANCIAL PRACTICES

Approved 1/10/19

- Rent vs. Donation: Churches need to process payments as “donations” for tax purposes, while Groups (according to their interpretation of the Seventh Tradition) prefer to call their payments “rent”. A consensus was reached to recommend that Groups agree on a payment amount with the church, call it “rent” in their financial documents, and consider what the church calls the payment an outside issue.

Approved 2/10/22

- “Prudent Reserve” was renamed “Reserve Fund” based on Al-Anon’s Guideline G-41 and Service Manual.

Approved 3/10/22

- Annual budgets for the coming year will be prepared in the fourth quarter by a committee comprised of the Treasurer, District Representative, and others assigned by the DR. The draft budget will be submitted for inclusion in the December District meeting agenda and must be approved by a vote of the Group Representatives present at the meeting.
- The Reserve Fund will be recalculated each year upon approval of the annual budget and will equal six months of necessary expenses.
- At the end of each year, the District Treasurer shall set aside 50% of any excess funds, which will be allocated for special projects. The Treasurer shall donate the remaining 50% of excess funds to the Al-Anon WSO (40% of the amount) and Area (60% of the amount). At the end of the year, any uncommitted special project funds are to be combined with excess funds accumulated during the year (and undergo the annual allocation process).
- Special Project Proposals will be considered at the third District Meeting of each quarter. Proposals must be submitted for inclusion in the meeting agenda and must be approved by a vote of the Group Representatives present at the meeting.

Approved 10/13/22

- Requests for expense reimbursement must be submitted by the end of the following month. This will allow end-of-the-year finances to be finalized as part of the appropriate annual budget.
- The former separate LDC fund is folded into the general fund account, and literature sales and literature purchases are now managed only as budget line items.
