

SAVE THE DATE!

MAY 19th – 21nd, 2023

SUMMER SEMINAR ASSEMBLY aka SSA

WARM BEACH CONFERENCE CENTER

STANWOOD, WA 98292

SSA will be face-to-face again this year,

There will be a variety of service workshops, spiritual meetings, and some exciting fun and frolic events.

Most-important is this is where the opportunity to hear the Delegate's Report happens.

This year you will pay a flat fee of \$260.00 for the entire weekend. This will include lodging AND food.

This year includes dinner on Friday evening, as well as three meals on Saturday and Sunday breakfast. ALL dietary needs ARE available, except for a Celiac disease diet. There will also be complimentary coffee and tea available throughout the day.

Cabins and dorm-style rooms will be available on a FIRST-COME, FIRST SERVE basis. All rooms accommodate disabilities. Each room has a queen bed and a bunkbed. No-one needs to sleep on the top bunk, unless they want to. So, plan on 3 people to a room. If you want to share a room with specific members, you MUST write their names on the registration form. Ideally, it would help lots if registration forms were sent in at the same time or within a few days of each other. Please note that with Online Registration available, it will take time to match up members who want to share the same room, but we will do our very best.

Please do NOT contact Warm Beach about reserving a cabin or room or food, or technology equipment, as this responsibility has been given to the Area Alt. Chair and Registration Team and the facility will probably not be able to answer your questions.

For questions about Registration only, please contact Bobbie C. at bchristensen@chinookenterprises.com or **360-941-7674**

For questions about lodging, food, etc., to Shelly T. at shellytwosouls@gmail.com or **425.923.0381**. (Text for the fastest reply or call back.)

Online and hardcopy registration forms for SSA will be available by and at Feb. AWSC.

A friendly reminder that SSA is a working assembly for AI-Anon members; even though it feels like a vacation. There are limited numbers of beds available. We ask that you not bring family or those not in AI-Anon.
